

Eco Dallas

Remote Multideck Cabinet

Eco Dallas range is the Bond Group's most energy efficient cabinet range and this reflected with whole range is available on the ECA scheme.

Reduce your energy bills by opting for *Eco Dallas* range, saving **40%** on the standard product. *The Eco Dallas* range is available in sliding or hinged door systems. This full **M0** cabinet can be used to refrigerate any type of product.

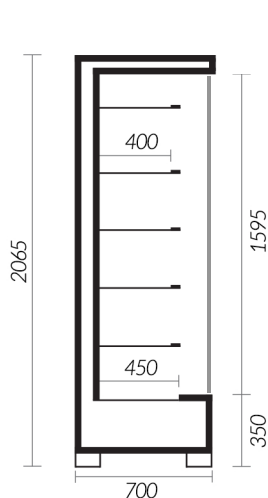

- standard
- optional

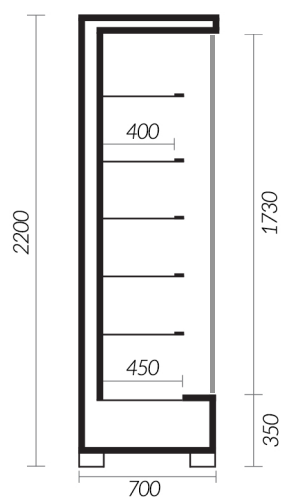

Purchase with confidence, the Bond Group fully tests all of its cabinet range in their design centre which boasts four certified BS EN ISO 23953 test rooms.

As part of *the Circular Economy* the production of new cabinets is aligned to the Bond Group's remanufacturing heritage. All cabinets are designed in our purpose built design centre to be remanufactured using long life materials in the base of the cabinet and durable parts.
